RECENT NEWS

© Justine Alkema, Clinton News Record

In March 2017, the Clinton Public Hospital Foundation transferred \$200,000.00 to the Clinton Public Hospital, from funds raised during the 2016-2017 fiscal year. The funds were used to purchase a new anesthetic machine, a CR card reader upgrade for the Medical Imaging Department and will fund further upgrades to equipment and facilities in the Operating Room.

The Clinton Public Hospital Auxiliary donated \$15,000 to the Foundation on April 3rd. This donation along with their \$15,000 donation in 2016, will be used to purchase 3 new hospital beds and mattresses. We are very grateful for the hard work, dedication and contributions of our hospital Auxiliary.

On March 18th, the Brussels Optimist Club held their 18th annual Spring Dinner & Auction. The proceeds from this year's event were donated to 2 local fire departments and 4 local hospital foundations. CPH Foundation was presented with a cheque for \$4000.00, from the event.

Each year in May, Blyth Legion Ladies Auxiliary runs a penny sale and the proceeds are donated among four local hospitals. On Friday, June 9th, Denise Morris of the Legion Auxiliary presented CPH Foundation with a cheque for \$747.00.

On April 3rd, the Clinton Kinsmen presented the Foundation with a cheque from the proceeds of the breakfast they hosted this past October. The cheque from the Kinsmen brought our 2016 Radiothon fundraising total to \$13,078.

THANK YOU FOR YOUR CONTINUED SUPPORT!

Ivan McClymont was a farmer, who operated McClymont Century Orchards near Varna. Ivan passed away on July 5, 2016 and in his Will named the Clinton Public Hospital Foundation as one of the beneficiaries.

On Sunday, June 25th, Ivan's sister Joan, along with his nieces and nephews, presented the Foundation with the bequest in the amount of \$103,033.20.

Planned giving is a wonderful way to give back and we are so truly grateful for Ivan's kindness in leaving this bequest to our hospital.

CURRENT NEEDS

The Clinton Public Hospital Foundation's goal for the 2017 CKNX Health Care Heroes Radiothon is to raise \$20,000.00 to purchase sterilization equipment for the Medical Imaging Department for ultrasound.

The Foundation Board of Directors, with the assistance of HPHA, reviews the needs of the hospital on a regular basis and is still reviewing project goals for the 2017-2018 fiscal year. Over the next four years, Clinton Public Hospital has the need to purchase more than \$2.25 million dollars worth of capital equipment alone.

The goal to raise \$25,000.00 has been set for Clinton Raceway's biennial Legends Day, which takes place on Sunday, July 30th.
